CENTRAL INTELLIGENCE GROUP INTELLIGENCE REPORT

COUNTRY Austria

SUBJECT Increased Production in Austrian Factories
25X1C

This document is hereby regraded to
CONFIDENTIAL in accordance with the
letter of 16 October 1973 from the
Director, Central Intelligence Agency
to the Director, Central Intelligence
Group.

DATE: 25X1C

INFO.

DIST. 31 December 1946

PAGES

SUPPLEMENT

ORIGIN

SOURCE

1. The Russians are concentrating on the manufacture of military communications equipment, in particular on receiving and transmitting equipment for motorized troops and armored units.
2. It is reported that the output of the factories previously under Nazi management now exceeds their wartime production.
